### Agreement

I agree to the above payment schedule.

I understand that after proper notice, my water service will be shut off if I miss a payment.

I understand that I must also pay all future water bills in full in addition to the payments under this agreement for delinquent water payments, and that if I fail to pay any payment, that my water service will be shut off after proper notice.

I understand that should my water service be shut-off, I must pay a fee to have the service turned back on.
