SNOW REMINDERS

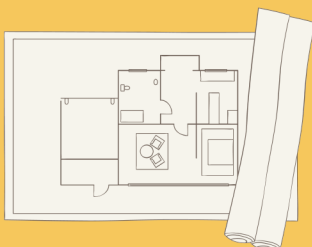

Leaf pickup is anticipated to begin in October and runs through the end of November (weather dependent).

Please check our website and Facebook page for the most up-to-date information.

Leaves should be piled within 6 feet of the curb.

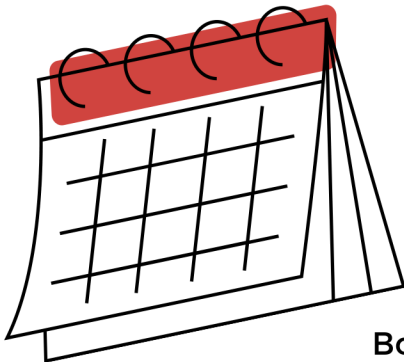

**DO NOT PUT LEAVES
ON THE SIDEWALKS
OR IN THE ROADWAYS.**

HOME PROJECTS

Before beginning any home improvement project such as a fence, addition, shed, pool, driveway, etc, please visit the **ZONING & PERMITS** section of our website. Most projects require permits and inspections! Questions? Contact our Code Enforcement Officer at 724-900-5167.

WATER RATE UPDATE

PROTECT OUR WATERSHED!

You may have noticed new signage around our storm drains in town. This is to serve as a reminder not to dump ANYTHING down the storm drains that you wouldn't want in your water system. These kinds of things, including sanitary wastewater, effluent from septic tanks, spills from roadway accidents, and auto or household hazardous wastes, are considered illicit discharges. Please contact the office if you think you have identified an illicit discharge!

REMINDER TO ALL LANDLORDS!

All landlords are required by Borough Code to update the Borough office every six months with your current tenant information. The \$20 occupancy permit fee will be waived IF landlords update our office, in writing, every six months.

In the next quarter, we will be working on updating all resident contact information.

The pertinent section of the Borough Code is Chapter 193: Property Maintenance, Section 1. The full chapter can be found at www.MarsBorough.com.

PLEASE REMEMBER!

If at any point you need to speak to a Mars Borough police officer, the best way to contact them is by dialing 911, regardless of whether or not it is an emergency.
