POLICE OUTREACH

Sergeant Novosel recently had the opportunity to speak to Girl Scout Troop 28875 about being a police officer, respecting authority, and what he does in Mars! The girls were all "deputized" with badge stickers and even got to see the inside of the police car!

If your group or organization is interested in having one of our officers speak to you about various topics, please reach out to Chief Lint at 724-625-3310.
