

NEWSLETTER

NEW WATER FEES

Please be aware that Mars Borough Council has approved new and revised delinquent water fees, effective July 1, 2024. The fees are as follows:

- \$20.00 Posting Fee to be charged when Shut Off Notices are posted at delinquent properties.
- \$40.00 Delinquent Shut-Off Fee (formerly \$25.00) to be charged when Water Service is shut off to a property due to non-payment.
- \$40.00 Delinquent Turn-On Fee (formerly \$25.00) to be charged when Water Service is turned back on at a property after Delinquent Shut-Off.

There will be no shut-off or turn-on fees assessed to properties where routine maintenance is being completed.

If you are having trouble paying your water bill, please contact the Borough Office as soon as possible to set up a Payment Plan. The Borough wants to work with residents to avoid unnecessary fees and penalties!

MILITARY BANNERS

Due to overwhelming interest, we have decided to reopen our Military Banner program!

Exact banner locations are still to be determined but we are now accepting new applications. All active-duty, reserve, and veteran members of the armed forces or their families are encouraged to apply.

Please note - honorees do NOT need to be current or former Mars residents. Any Mars resident wanting to honor a family member is welcome to apply.

Applications can be found on the Mars Borough website: www.MarsBorough.com.

WATER MAPPING

Our Public Works Department is currently working with RCAP Solutions to map out the Borough's water system. You should not experience any service interruptions during this time.

If you see them working or digging on your property over the next few weeks, they are locating curb boxes. Depending on where the curb boxes are, they may also place flags in your yard - please do not remove these!

Call the Borough Office at 724-625-1858 with any questions, or ask one of our Public Works employees!

FREE GUNLOCKS

The Mars Borough Police Department is proud to participate in Project ChildSafe, a firearms safety program. Free cable gun locks are available to residents to help secure their firearms. You may obtain your free Project ChildSafe safety kit by visiting the Borough building at 301 Arch Street. Gun locks are located in the front lobby.

UPCOMING EVENTS
