* Payment Due Dates are ultimately based on the day the bills are generated and will be 30 days from the bill date. The dates above are estimated dates and all efforts will be made to mail bills by the 10th of January, April, July, and October each year.

Notes

1. Landlords, not tenants, are responsible for water bills on all rental properties.
2. New rates are effective with water used as of January. The new rates will be reflected in the bill you receive in April.
3. Late fees will be applied the first business day after the due date. Staff attempt to give everyone the benefit of the doubt, however any payments received after late fees are applied will be subject to the late fee.
